# Submission notes

Key points;

1. Please put your code on GitHub and send us a link
2. Please send us a link to the demo application
3. Sign up / sign in module, database and visual design is mandatory. If you complete all modules, you would certainly qualify for the next round face to face interview. If you are unable to finish some, please explain the reason why and we can work out whether we would still want you to come in.
4. Please undertake original coding in pure php when possible, rather than using libraries, so you showcase your abilities
5. Please get in touch if you require clarification
6. Submit code on or before the agreed time by emailing
   a. Swapnil on sgadgil@therapy-box.co.uk
   b. Francesco on fcostarelli@therapy-box.co.uk
   c. Federico on florello@therapy-box.co.uk
